

# VISION PLANNING QUESTIONNAIRE

What is/should be the mission of Mellingers?

Would you be in favor of having some contemporary music during our regular services?

Would you be in favor of having a non-traditional worship in addition to our regular service?

Do you have any ideas about how to attract young children to Sunday School?

If you have children, do they attend Sunday School? Why or why not?

Does Mellingers do a good job of being visible and serving our immediate community? What do we do well? What could we improve upon?

Are we meeting the needs of our own Mellingers' church family? Why or why not?

Is mission support appropriate? i.e. Synod and support of the church at large?

What improvements/renovations are needed in the church building?

What programs/entities do you feel the church should support?

Are you in favor of canceling the 94/95 Phase II Building program which added a fellowship hall, kitchen, and canopy on ground level where you currently see the white siding? AND

Are you in favor of creating a new program which would renovate the current kitchen, fellowship hall, and add a carport/canopy at the north end of the building? (Elevator entrance).

Do you feel the Vicar program at Mellingers is important and should it be continued?

Do you feel our church is adequately staffed to meet the needs of our congregation today and into the future?

Do you feel the current Church Council model here at Mellingers provides appropriate leadership? Please explain.

Would you consider joining one of the many committees here at Mellingers? Why/why not?

Are there additional committees that you feel should be formed to meet a specific need of the congregation? If so, would you be willing to serve on that new committee?

Do you feel the church is utilizing your personal talents? What talents would you be willing to share?
